#### REDLANDS 360 METRO DISTRICT NO. 4 2023 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### Services Provided

Redlands 360 Metro District No. 4 (the "District") and Redlands 360 Metropolitan Districts No. 3 and Nos 5-6 and No. 8 were formed under a Service Plan approved by the City of Grand Junction, Mesa County, Colorado (the "City"), on May 19, 2022. On June 17, 2020, and May 19, 2022, Redlands 360 Metropolitan Districts Nos. 1 and 9 and Redlands 360 Metropolitan Districts Nos. 2 and No. 7 were formed, respectively (collectively the "Districts"). The Districts' service area is located entirely within the City. The primary purpose of the Districts will be to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements and services as listed below. The District was organized by Mesa County Court Order on May 19, 2022.

At an election held on May 3, 2022, the voters approved general indebtedness of \$60,000,000 at a maximum interest rate of 18% for each of the following improvements and services: streets, water supply, sanitary sewer, traffic and safety controls, parks and recreation, mosquito control, television relay and translation, public transportation, and operations and maintenance.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

The District has budgeted no revenues for 2023.

#### **Expenditures**

The District has budgeted no expenditures. All administrative expenditures of the District will be paid by District No. 9.

#### **Debt and Leases**

The District has no debt, nor does it have any operating or capital leases.

#### Reserves

#### **Emergency Reserve**

TABOR requires local governments to establish emergency reserve. This reserve must be at least 3.0% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 9, which pays for all of the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget. It is accounted for in District No. 9.

This information is an integral part of the accompanying budget.
